# 1. Overview

*The Analytics classic dashboards displays a dashboard of charts that have been defined using the Classic Chart module.*

*Each chart is displayed as a thumbnail view with charts arranged across the chart dashboard.*

## 2. Feature Summary

### 3. Classic Dashboards

The Analytics classic dashboard displays a dashboard of charts that have been defined using the Classic Chart module.

Each chart is displayed as a thumbnail view with charts arranged across the chart dashboard.

Charts may also be dragged and dropped around the dashboard to re-arrange the sequence of how the charts are presented.

Charts may also be closed by clicking on the close icon in the top right of the each chart view.
